The Maryland Patient Safety Center **Perinatal Collaborative**

Creating perinatal units that deliver
care safely and reliably with zero
preventable adverse outcomes

Learning Session One
March 15, 2007

Support for the Perinatal Collaborative was provided by a grant from the Maryland Department of Health and Mental Hygiene Center for Maternal and Child Health.

The Maryland Patient Safety Center
Perinatal Collaborative

What is the Maryland Patient Safety Center?

- Collaboration of the Maryland Hospital Association and Delmarva Foundation for Medical Care
- Brings together health care providers to study the causes of unsafe practices and put practical improvements in place to prevent errors.
- Designated in 2004 by the Maryland Healthcare Commission, the Center's vision is to make Maryland hospitals and nursing homes the safest in the nation.

Creating perinatal
units that deliver
care safely and
reliably with
zero preventable
adverse outcomes

Support for the Perinatal Collaborative was provided by a grant from the Maryland Department of Health and Mental Hygiene Center for Maternal and Child Health.

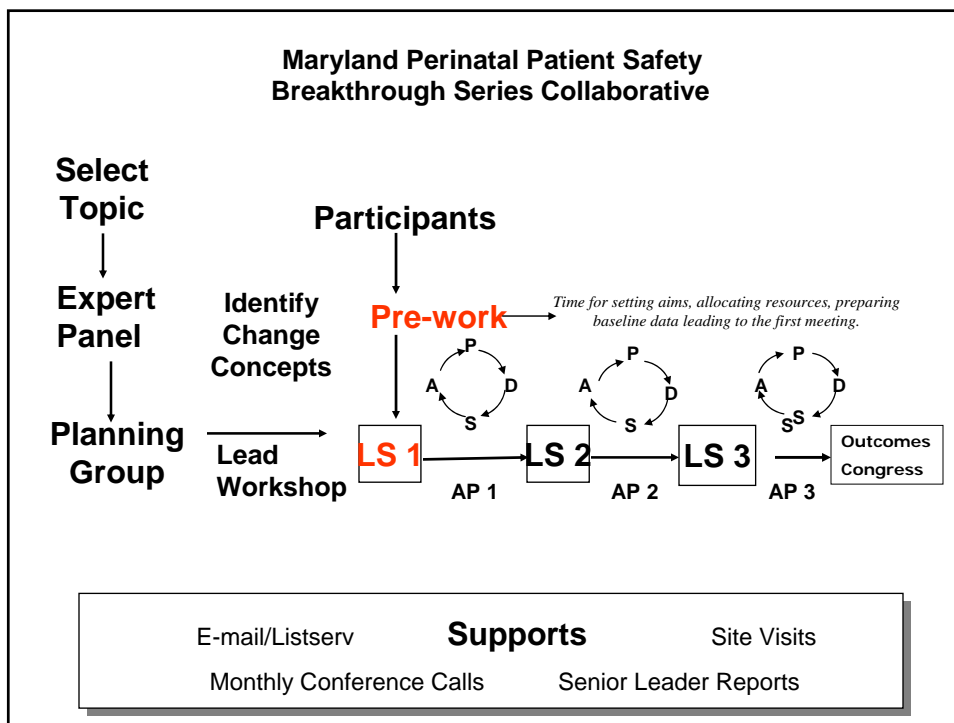

Our Aim

The aim of the Perinatal Collaborative is to reduce infant harm through the implementation and integration of systems improvements and team behaviors into maternal-fetal care.

Creating perinatal units that deliver care safely and reliably with zero preventable adverse outcomes

Support for the Perinatal Collaborative was provided by a grant from the Maryland Department of Health and Mental Hygiene Center for Maternal and Child Health.

Planning Committee Members (Faculty)

Creating perinatal
units that deliver
care safely and
reliably with
zero preventable
adverse outcomes

- **Joseph Derrough, MD**, Medical Co-Director of Patient Safety - Kaiser Permanente San Jose -Chairman
- **Alan Bedrick, MD**, Chief of Neonatology –Franklin Square Hospital, Co-Chairman
- **Raymond Cox, MD**, Chair of Dept. of OB/GYN – St. Agnes Hospital, Co-Chairman
- **Jenifer Fahey, MPH, CNM**, Nurse Midwife – University of Maryland Medical Center

The Maryland Patient Safety Center
Perinatal Collaborative

***Support for the Perinatal Collaborative
was provided by a generous grant from
the Maryland Department of Health and
Mental Hygiene, Center for Maternal and
Child Health***

**Russell W. Moy, MD, MPH
Director, Family Health Administration
Department of Health and Mental Hygiene
Bonnie Birkel, CRNP, MPH - Director
Audrey Regan, MPP – Policy Analyst
Marsha Smith, MD, MPH – Medical Director-Perinatal Health**

Thank you!

Creating perinatal
units that deliver
care safely and
reliably with
zero preventable
adverse outcomes

Support for the Perinatal Collaborative was provided by a grant from the Maryland Department of Health and Mental Hygiene Center for Maternal and Child Health.

Participating Hospitals

- Anne Arundel Medical Center
- Calvert Memorial Hospital
- Carroll Hospital Center
- Civista Medical Center
- Franklin Square Hospital
- Frederick Memorial Hospital
- Georgetown University Hospital
- Harbor Hospital Center
- Holy Cross Hospital
- Howard County General Hospital

Creating perinatal
units that deliver
care safely and
reliably with
zero preventable
adverse outcomes

Support for the Perinatal Collaborative was provided by a grant from the Maryland Department of Health and Mental Hygiene Center for Maternal and Child Health.

Participating Hospitals

- Laurel Regional Hospital
- Maryland General Hospital
- Mercy Medical Center
- Montgomery General Hospital
- Peninsula Regional Medical Center
- Prince George's Hospital Center
- Shady Grove Adventist Hospital
- Sinai Hospital of Baltimore
- Southern Maryland Hospital
- St. Agnes Hospital

Creating perinatal
units that deliver
care safely and
reliably with
zero preventable
adverse outcomes

Support for the Perinatal Collaborative was provided by a grant from the Maryland Department of Health and Mental Hygiene Center for Maternal and Child Health.

Participating Hospitals

- St. Mary's Hospital
- Union Hospital of Cecil County
- Upper Chesapeake Medical Center
- Washington Adventist Hospital
- Washington County Hospital
- Western MD Health Systems/Cumberland Memorial

Creating perinatal
units that deliver
care safely and
reliably with
zero preventable
adverse outcomes

Support for the Perinatal Collaborative was provided by a grant from the Maryland Department of Health and Mental Hygiene Center for Maternal and Child Health.

Today's Agenda

- **First page of your binder**
- **Two Breaks**
- **Lunch and Storyboards**
- **Team Action Planning at the end of the day**– Don't leave! Important instructions at this time.

Creating perinatal
units that deliver
care safely and
reliably with
zero preventable
adverse outcomes
